

Product Information

Solopol® Classic

Solvent-free heavy duty hand cleanser with a non-aggressive natural scrubber for removal of heavy contamination.

Description

Solopol® Classic is a completely solvent-free hand cleanser which contains a non-aggressive natural scrubber. Solopol® Classic cleans deeply without damaging the skin. It has a very good skin compatibility and excellent cleaning power in cases of heavy duty industrial dirt. It's very good skin compatibility is achieved by the use of skin compatible surfactants.

Solopol® Classic does not clog drains or pipes. It is easily rinsed away and is not prone to swelling.

Area of Application

For heavy duty contamination, for instance grease, mineral and lubrication oils, graphite and carbon black, which cannot be removed with a product containing no scrubbers.

Solopol® Classic is especially suitable for the removal of metallic dust (including heavy metals such as lead) from the hands.

Product Description

Light beige paste containing a natural scrubber walnut shell powder (Astopon®); pH-value: 4.9 - 5.3.

Instructions for Use

- Do not wet soiled hands.
- Rub in small amount of product thoroughly.
- Add a little water and continue washing.
- Rinse with plenty of water and dry thoroughly.

Features	Benefits
